§ A50-1. Fee Schedule.

Effective April 1, 2006, and continuing thereafter unless and until modified by subsequent ordinance, the rates and fees for use of County recreational and park facilities shall be as set forth in this chapter.

§ A50-2. Refund/readmission policy.

Unless otherwise stated, no refunds or readmissions will be made at facilities. This applies to inclement weather. If a facility or mechanical failure should occur that would cause closing of a facility/program/event for the balance of that session/program, then readmission tickets would be issued.

§ A50-3. Returned check charge.

Any check that was received and is returned for insufficient funds will result in an additional charge of \$30.

§ A50-4. Discounted rates.

A fifty-percent fee reduction for rental of park facilities is offered to nonprofit organizations providing satisfactory 501(c)3 tax-exempt documentation and/or IRS nonprofit documentation. The Director of the Parks Department may, at his discretion and upon furnishing reasonable advance notice to the Allegheny County Council, establish temporary promotional discount rates from time to time, as appropriate.

§ A50-4.1. Volunteer firefighters and emergency medical technicians (EMTs). [Added 7-8-2008 by Ord. No. 22-08]

- A. No later than February 1, 2009, and each February 1 thereafter, the Director of Parks shall forward an application for inclusion in the Volunteer Firefighters Park Pass Program to each volunteer fire company and volunteer EMT company located within Allegheny County. Any volunteer fire or EMT company may participate in the program upon averring that its firefighters and/or EMTs are unpaid and upon providing a completed application to the Parks Department on or before March 1 of each year. The Parks Department shall permit filing of such application via the County's website or by e-mail at no charge. The application shall include, at a minimum, a listing of each firefighter's and/or EMT's name and address, together with an indication of whether each firefighter and/or EMT listed is an active or inactive member of the fire company. Upon receipt of the completed application, the Parks Department shall provide the applicant fire and EMT company with passes issued in the name of each active volunteer firefighter or EMT. Upon presentation, these passes shall entitle the named firefighter or EMT to free admission to County-owned swimming pools and ice skating rinks, as well as free ski lift tickets at the Boyce Park ski slopes. **[Amended 12-15-2009 by Ord. No. 45-09]**
- B. In addition, each volunteer fire and/or EMT company shall be granted one discount of up to \$50 toward the rental of any picnic grove in any County park each year, subject to grove availability, for the sole purpose of a volunteer fire or EMT company event.
- C. The privileges conferred by this section are not transferrable, and may not be extended to anyone other than the individual volunteer firefighter or EMT named on the pass issued by the Parks Department. Nothing in this section shall be construed to alter the applicability of any parks regulations or of any fees not specifically named herein.
